MTN Landscaping Expands into Southern New Hampshire

Derry, NH – MTN Landscaping is pleased to announce its expansion into southern New Hampshire. Operating in Walpole, Massachusetts for the past decade, the landscaping, snow management and hardscape installation company is now headquartered in Derry, serving commercial and residential clients within a 20-mile radius.

MTN Landscaping is fully insured and owns a wide variety of equipment to ensure reliability. Its team provides year-round services, which include snow and ice management, seasonal clean ups, lawn renovations, mowing, mulching, plant installations, seasonal plantings, hydroseeding, aeration and overseeding, fertilizing and irrigation. The company also designs and installs hardscapes including patios, walkways, walls, fire pits and outdoor kitchens.

Matt Nannicelli, Owner, MTN Landscaping, Inc.

“My wife, Kim, and I are excited to bring MTN Landscaping to southern New Hampshire and are currently recruiting employees for a variety of positions with our team,” said Matt Nannicelli, owner of MTN Landscaping. “We are committed to our customers and look forward to providing our high quality maintenance and beautification services to commercial property managers and residential homeowners in the region.”
